Homeowners Meeting Highlights

Old Business

Completed Projects During the Off Season:

1. Installed a license plate camera at the 50th Street entrance, another security camera at 48th Street and 7 cameras at Wertz Hall.
2. Auction shed was expanded 10 feet and was adjoined to Grandma's Closet.
3. A new Grandma's Closet includes items for visitors' use. The old Grandma's Closet now stores landscaping supplies.
4. A new microphone system was installed at Wertz Hall.
5. Holes in the north pond were repaired as well as some coping at the north side pool.
6. The 19th Hole clubhouse was remodeled including the pool room, the kitchen, installing new vinyl laminate flooring, replacing one of the refrigerators, and replacing two old storm doors. The ladies' and men's restrooms were painted and new vanities, faucets, mirrors, lights, glass block windows, and vinyl laminate flooring were installed.
7. Cork boards on bulletin boards at both post offices and No. 1 & 17 Tee Houses are in the process of being replaced. Plexiglass will be refurbished.
8. The Board voted to keep the 50th Street entrance gate closed from May 1st to October 31st. A special **thank you** and **S-A-L-U-T-E** goes out to all the volunteers that came through for all these projects!

Golf Course: No. 15 tee was originally built on clay from the pond. It will be redone in Spring. Soil samples showed organic fertilizer was required. New water coolers were installed at No. 3 & 10. Thanks to Victor and his crew for their hard work and for following the golf course maintenance schedule.

New Business

1. **Daffodil Road Project** A committee of 3 will hold a hearing in mid December. Our lawyer will attend and hopes we're offered more money and hopes our case goes to trial.
2. **North-side Sewage Lift Station Project** Status: project has been shelved indefinitely.
3. **Wertz Hall Roof** Additional repairs were needed, some under warranty, some were our responsibility. Ceiling tiles can now be replaced.
4. **Nominating Committee:** Mary Higgins will Chair. **Audit Committee:** Hart Amlee is Chair; part of the audit has been done.
5. **New Fairway Mower:** A used Fairway Mower was purchased from the New Equipment Fund and donations. A **big thank you** to all the generous donors.
6. **Trees for Golf Course** 10 trees have been planted. Thank you to all donors of plants, trees, and all those who donated their time.
7. **New Flags for Flagpoles on Golf Course** The outstanding flags donated by the Derby Committee will only be used in the winter.
8. **New Signs for Park Entrances:** Thank you to Dan & Brenda Kafka who generously donated these bilingual signs.

NEW *** In an attempt to clearly identify

daily activities in the park, instead of trying to squeeze them all into the Divot calendar, this calendar is being included with the November 2022 Divot. It can be easily revised, and updated copies will be available in the Business Office. As a result, there'll be more room in the Divot calendar for events not routinely held, like golf tournaments, early Happy Hours, dances, holiday parties, the auction, etc.

All activities take place at Wertz Hall unless otherwise stated
